

A Special Thank You during our “Feline Fiasco”

As many of you may know, beginning in August 2021, there was a situation of alleged animal cruelty in Manistique from which 75 cats and kittens were removed from a residence and turned over to the Eva Burrell Animal Shelter for care, evaluation, examination, and eventual adoption. Many of the cats were dehydrated, under-socialized, and frightened. There have been endless litter boxes and laundry and we are doing our best to care for them, track them, and to take care of our staff. We appreciate your ongoing kindness and understanding, and thank all of you for your generous donations to help with our work.

We send a BIG “Thank You” to the following for their special support:

Thompson Veterinary Clinic * Manistique Public Safety Dept. * Petique Pet Store *

Tractor Supply Co. * Dr. Renee Coyer * Northern Tails Pet Resort * Treasure City

And to all of you who have been amazing supporters, donors and encouragers, you mean more to us than you know!
